Acknowledge

Krishi Vigyan Kendra is working for the farmers and extension workers through training, demonstration, and various programs (melawa, field visits,) to deliver the university-recommended technology in the district, but through the medium of publication, this newsletter is reaching our area so that the farmers and extension workers will definitely benefit and more and more people will be linked to KVK.

Hon,ble Vice-chancellor
Dr.PDKV, Akola

KVK works as a knowledge and resource center of agricultural technologies for supporting initiatives of the public, private, and voluntary sectors in improving the agricultural economy of the district. Provide farm advisories using ICT and other media means on varied subjects of interest to farmers. Such activities will be published through newsletters and reach resources.

Director of Extension Education
Dr.PDKV, Akola

KVK plays a farm science center in the district, enhancing productivity, sustaining growth with scientific knowledge of agriculture, and improving standards of living of farming community such type of activities publication newsletter will be helpful for KVK.

Dr.Suresh Nemade
(Senior Scientist & Head, KVK Yavatmal)

On large-scale publicity of KVK events for urban and rural area newsletters will be helpful.
